OHI offers a no-fee service to return or exchange within 30 days of purchase, provided the NeuRemedy® are returned in the original, undamaged bottle. Please send the original product back to our office (in the same condition as sold). If no exchange is required and you are returning the product for a refund, a credit will be issued on your next accounting statement. Required for all returns: original invoice number, full description of the merchandise, reason for the return and product packaged in the original undamaged NeuRemedy® bottle. A damaged NeuRemedy® bottle cannot be restocked and will be returned to the sender; acceptance of all returned merchandise is at the discretion of OHI.
